

Monthly Report – June 2019

Fund description

FORTUNA Multi INDEX 40 is an investment fund under Swiss law in the «Other funds for traditional investments» category, and it is **growth-oriented**. The investment goal is primarily to increase the fund's assets and produce stable results.

The fund invests a minimum of 51% of its assets in other collective investment schemes (target funds). The remaining 49% may be invested in equities and bonds, the equity portion must not exceed 50%.

The fund management company must also follow the investment rules in the Swiss Federal Law on Occupational Retirement, Survivors' and Disability Pension Plans (BVV2).

This fund is suitable for investors with higher return expectations who can accept the risk of greater changes in prices.
