

# Legal protection for your company

## Helping you assert your rights

What starts as a harmless disagreement can end in a legal dispute, costing you time, stress and – above all – money. Fortuna COMPLETE protects your company against the legal and financial risks associated with the day-to-day running of your business. Experienced legal professionals make sure your rights are asserted – leaving you free to concentrate fully on your core business.

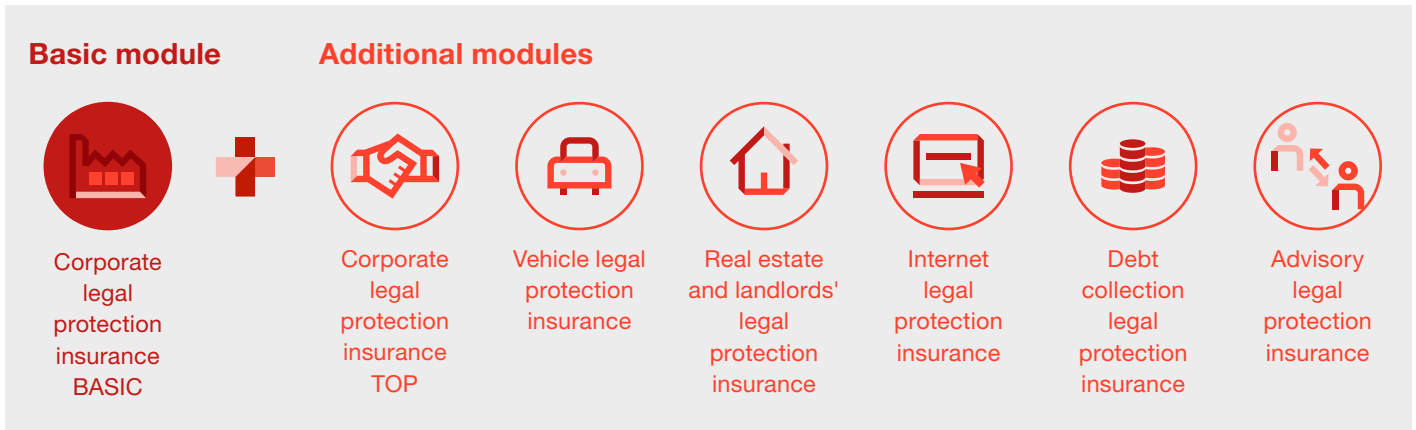

## Tailored to your needs

Fortuna COMPLETE's modular design lets you take out the insurance you need for those areas of the law that are important to your business. "Corporate legal protection insurance BASIC" insurance covers your company's key basic needs. By adding up to six different modules, you can put together a package that will help you assert your rights quickly and in a way that's right for you.
