Why take out legal protection insurance?

An everyday dispute can rapidly escalate into an expensive legal case. Legal protection insurance protects you against nasty surprises.

We make sure you get what's yours by right

Our motorists' and personal legal protection has you covered in the event of a legal dispute. Legal experts and lawyers make sure you get what's yours by right. Simple, comprehensive, fast and personal – lets you stop worrying so that you can concentrate on the nice things in life.

Simple

Immediate legal protection, no deductible, no minimum disputed sum.

Comprehensive

Protection in all the legal areas you select; costs covered up to CHF 1 million in Switzerland and up to CHF 500,000 worldwide.

Fast

Immediate, qualified assistance from experienced legal experts and lawyers.

Personal

Free, personalised legal advice over the phone.

Legal security in your everyday life: get what's yours by right when you are in the right

You suddenly face legal challenges. In the car, at home or at work. Our comprehensive legal protection insurance with motorists' and personal legal protection options protects your legal rights in difficult circumstances.

Motorists' legal protection

You are not satisfied with your car repair and want to take action against the garage owner. You are involved in a road accident because someone failed to give you right of way. You were speeding and got a huge fine. We check the facts and represent your interests.

Personal legal protection

Your landlord refuses to repair the broken refrigerator. You have given notice and your employer gives you a poor reference. You don't get a hotel room although you reserved and paid in advance for one. We check all the facts and enforce your rights.

Tip

You can insure yourself as an individual or as a family. A family is defined as you, your spouse or partner and persons residing permanently in the same household.
